

Water for life - LIFE for waterProtecting Europe's water resources

The following pages include an introduction to key EU policies for protecting the quality of Europe's water resources, as well as useful background information about the achievements of the LIFE Environment programme to date and its continuation in LIFE+. Each of the four thematic sections highlights expert recommendations of best practices for LIFE Environment projects. These are summarised in the Closing speech from the conference by Soledad Blanco, Director of International Affairs, DG Environment.
